Who'd fall in love with that sadist ghost?!

Is he not able to think about anything other than sex?

Don't fuck with me!

He always goes to the gym as soon as I get home anyway.

Train 1 departing.

Besides, I like kind guys.

And I like it when they wear glasses.

The doors are closing.

My God!!

He's completely not my type.

SHUDDER

You just like this.

EH.

You followed me here?

touch

But...

Kou.

Mask Kousuke may help, he'll probably violate me right here.

This is bad!

smile

This is bad, I...

Thik! Thk! He seems to be enjoying this situation!

WARR

touch *touch*

Ah... yes...

Thank you.

Are you alright?

U...
I apologize, I get that if a man you just met tells you something's like that it might sound a bit disgusting.

No, but I think you're...

Even though you might not believe me, I'm a policeman.

Naive guys attract me!
Oh well, it's impossible that a guy man would save someone say man in a situation like this.
But I'm really in trouble!

Does seducing someone comes naturally to him?

It's the first time I've wanted to help a guy in situation, now I'm a bit bothered.

STRUCK

Eh!?

Ah.

I'll give you my phone too.

Please accept my business card.

Then please call me next time something happens.

Thank you very much!

I won't let you have bad moments like this again.

Later, Matsusaka-san.

行秋山...

秋山

『Akiya-ma-san』

You're really an easy guy, Yuuji.

And even
so, Yugi,
you still
smiled like
an idiot
while
looking at
this.

I'm worried
about you in
my own
way.

Give it back.

That...

I don't
wanna.

It's just that I like to
see the different
expressions of the
person I love.

Even though
you already
have me.

What the hell is the
person who
only watched as I was
being molested
saying?!

How
cruel.

A water
gun.

I have it
ready for
when you
want to
assault
me again.

What's
that?

Even if you're able to send me to heaven, I don't think you'll be able to go out with Kim.

Even if Akiyama-san rejects me, I'm never going out with you.

Yuuji.

TAP

SLAP

SLAP

Matsuzaka-san.

Osamu a...

I have to tell you something about Izumi-kun.

The doors are closing.

Huff

That voice...

You'll never be able to go out with him.

Akiyama-san!

Good morning.

Good morning!

We look like we're really close, lol!

Huh?

You have something on your arm.

Where?

Look. Right over here.

Why the hell am I remembering that now?

Static?

That scared me.

It's rare for there to be static at this time of the year.

FX: ZAP

Could it be a was... salt?

No way...

Huh?

You can see close to normal people pretty easily with a dumb little thing.

I just wanted to stay a bit with the guy who looked at me thirstily.

Aki-zama-san.

What are you have on your arm?

Did you like that salty meal?

AH AH AH

AH AH

AH

AH AH AAA AAH AAH AAAA AAAA AAAAA

You put salt in my note-book look.

Yuuji,

I warned you yesterday and told you you'll never be able to go to see him.

Don't you have something for me?

Even though I already knew she spins to in a bad direction, couldn't help you.

I wanted to respect your decision this time.

Say it loud and sweetly so I'm able to hear you.

What?

I was really scared!!

Why are you crying?

To be honest, I thought you wouldn't save me this time either.

For-give me.

Because I told you very cruel things yesterday.

Maybe...

Kou-suke...

If you hadn't been here, he would've raped me...

Um...

Thank you.

Kousuke...

The expression you made really turned me on.

I shouldn't let him.

WHAT ARE YOU DOING?

Besides, it seems that you've been holding back since a while ago, Yuuji.

No.

...y aself...

If only you had listened to me, none of this would've happened.

My hand...

You must express your gratitude towards me, since I saved you.

No.

your most private parts.

Today, I'll expose...

Do you want me to tell you how erotic you look?

The next station is Omiya.

The next station is Omiya.

Please don't go beyond this line.

Train No.1 is leaving.

～とっても EXHAUSTED

When you were being shocked you got more excited than me... realized I was watching.

You tell it a lot this time, didn't you, Yuuji?

Slut up for a moment.

Didn't you?

Could it be that you like being watched?

I got so turned on at looking my erection won't go down.

Wanna help me?!

Se-xual harassment...

...are ghosts that know sexually frustrated people

The ghost that stuck to me only makes my days harder and harder.
